Check the box below to certify the employer wants to apply for and participate in the **Small Employer Exception to the Medicare Secondary Payer Rules.**

- Yes** Employer elects to participate in the MSP Small Employer Exception and certifies that it has had 19 or fewer employees for each working day in each of 20 or more calendar weeks in the current or preceding calendar year. This means the employer is exempt from the MSP rules and Medicare will become the primary payer of Medicare Part A claims and, if applicable, Medicare Part B claims, for individuals meeting the guidelines above.<sup>2</sup>

<sup>1</sup> The Health Insurance Claim Number (HICN) is the number assigned by the Social Security Administration to an individual for the purpose of identifying him/her as a Medicare beneficiary. The HICN appears on the beneficiary's insurance card, and it is on the basis of this number that a beneficiary's Medicare claims are processed.

<sup>2</sup> Approval by the Centers for Medicare and Medicaid Services may take up to 90 days for processing.

Please enter your current number of employees:

Include all full- and part-time employees who have worked (or you anticipate will work) at least 20 calendar weeks of the year. Consider any employee who receives a Form W-2 under this EIN and any self-employed cleric who receives cash remuneration for services rendered even if the cleric does not receive a Form W-2.

### Part III Certification and Signature

We hereby certify that this information is true and accurate as of the date of this certification. We agree to notify the Medical Trust if our employee count changes in the future from 19 or fewer employees to 20 or more, or from 20 or more employees to 19 or fewer. We certify that we have not had 20 or more employees on each working day in 20 or more calendar weeks in the current or preceding calendar year.

We understand that our election to participate in the Small Employer Exception means that Medicare will become the primary payer for Medicare Part A claims and, if applicable, Medicare Part B claims for the eligible active employees age 65 or over, and their spouses age 65 or over. We certify that each individual for whom we are providing an Employee Election Form has coverage because he/she is currently an active employee or the spouse of an active employee.

We understand that purposely providing incorrect information on this form may result in retroactive charges for medical coverage by the Medical Trust.
