

St. Luke's, Baton Rouge Seeks Associate Priest and School Chaplain

St. Luke's Episcopal Church in Baton Rouge, Louisiana seeks an Associate Priest and School Chaplain. In addition to assisting the Rector with preaching, teaching, liturgical, sacramental, pastoral care, and administrative responsibilities, the Associate/Chaplain will nurture and build relationships with young families in the church and the school, identify and connect with unchurched school families, and teach religion classes.

St. Luke's Episcopal Church has responded to the call to love and serve the Lord and our neighbors for more than 50 years. St. Luke's is committed to caring for one another, spiritual growth, and bringing others closer to God through Jesus Christ. We fulfill those commitments through liturgy and worship, pastoral care, outreach to the community, and Christian formation for all ages.

St. Luke's Episcopal School (Pre-K through 8th grade) is our largest mission. Drawing on the Anglican tradition of worship and education, our school focuses on the whole person in the conviction that the pursuit of knowledge, spiritual growth, athletic achievement, and the development of moral character form a seamless whole.

For more information, please contact the Rev. Dr. Bryan Owen at (225) 926-5343 or at fbryanowen@stlukesbr.org.
