

Trinity Episcopal Church, Baton Rouge

Position Description – Priest Associate for Christian Formation

Trinity Episcopal Church in Baton Rouge is growing, and we are searching for an Associate for Christian Formation. We are a transitional-sized parish with an ASA of 150 that has served Christ in Louisiana's capital city since 1946. Trinity is located in a residential neighborhood with proximity to Louisiana State University, and has a thriving pre-K – 5th grade day school. We are excited to invest in the growth God is sending to us by adding another full-time priest to our staff in June of 2023 so that we may more effectively live into our mission and ministries.

The Associate for Christian Formation's primary role will be to assist the rector in developing and maintaining systems of shared ministry within the congregation, including building on the foundations for Christian formation rebooted following the pandemic, our Invite, Welcome, Connect ministry, and sharing in the teaching role throughout our congregations life cycle. The associate will have the opportunity to work cooperatively with the rector in planning the program year for our Sunday worship and Christian education programs, and will have many opportunities to preach and teach.

The Associate will also share in the ministry of serving as chaplain for the Day School. The associate and rector share will share in the duties of planning and leading Monday morning prayer and Eucharists during the school year. The associate will also, of course, assist the rector in performing the duties of a pastor, priest, and teacher for the people of Trinity.

The Associate will also be expected to fully participate in the life and ministry of the Diocese of Louisiana, serving in those capacities as elected by the convention or appointed by the Bishop. The parish will support the Associate as they engage in that ministry.

Compensation, continuing education and expense reimbursement will align with the guidelines established by the Diocese of Louisiana.
